Working as a landscaper during summers, Stephen was never idle. He was the oldest of five children who looked to him for guidance. He was a “church going” son and his family loved him very much. After joining the Navy in mid-June 1968, Stephen reported for duty on board USS FRANK E. EVANS (DD 754) on 17 Sep 1968, and worked with the Deck Force. SA Fagan was asleep in 1st Division at the time of the collision.
